### Freire Charter School Wilmington Financial Summary June 30, 2022 (Unaudited)

#### OVERVIEW

The School's cash on hand as of June 30, 2022 is \$1.6M. The School ended the year with \$1.69M of cash, representing an increase of approximately \$90k from June 30, 2021.

The School met 6 of 7 financial performance framework ratios. Total days cash on hand decreased from 77 to 70 days and will receive a rating of "approaches standard". The requirement was increased from 60 days to 75 days effective FY 2022.

In total, the School's updated projected surplus is \$2k. This is inclusive of \$100k of one-time capital purchases and in-line with the FY 2022 budget.

The School ended the year with an annual deficit of \$71k. Taking prepaid expenses of \$66k on the balance sheet into consideration (which represent loan costs paid to date for the purchase of the facility. These costs will be refunded by the loan proceeds.) the true annual defict is \$5k. In addition the School incurred \$20k in repair costs to its HVAC unit in excess of the already exceeded budget, that will not be reimbursed by loan proceeds. The issues with the HVAC unit will be fully addressed with EFF proceeds. Taking prepaid expenses and unforseen building maintenance into consideration the school would have ended the year with annual surplus of \$15k.

#### REVENUES

In total, State and Local revenues were in-line with the budget (exceeded the budget by a total of \$8k) and were based off of a final enrollment of 503 students.

All federal grant allocations (21st Century, Title I, Title II, Title IV, IDEA, ESSER-II and ARP-ESSER) have been approved and allocated to the School. Grant revenues are collected concurrently with the payment of grant expenditures.

All revenues are based on the final September 30th enrollment of 503 and the unit count of 37.09.

#### **EXPENSES**

Total expenses exceeded the budget by approximately \$240k. This is offset by \$232k of additional revenues, primarily consisting of ESSER grant revenues. Major budget v. projection variances are as follows:

Athletic Services - Travel - exceeded the budget by \$30k. This is primarily due to the athletic program, which expanded in FY 2022 while the school returned to in person. Simultaneously Student Activities - Travel which is \$17k below budget.

Alternative Placement - exceeded the budget by \$24k. Three additional students (for a total of 13) were enrolled in an alternative placement for the 2nd half of the School year. These extra slots were funded by the School's ESSER grants.

Non-capitalized Instructional Computers – is \$43k\$ below budget. New and replacement Chromebook purchases were less than expected based on prior year trends.

Instructional Books and Periodicals - exceeded the budget by \$22k. New Spanish textbooks (\$15k) were purchased but not included in the final budget.

Student Support Services - exceeded the budget by \$39k. The School is utilizing a contracted special ed teacher to support the increased special ed enrollment.

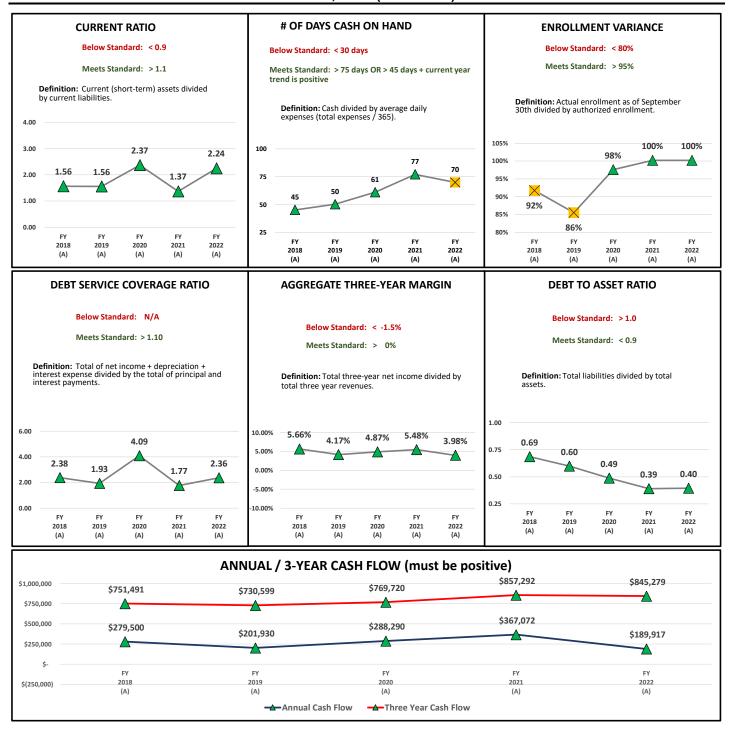

Instructional Support Services and Training - exceeded the budget by \$39k. Unbudgeted professional development includes individualized teacher coaching and training for the School's math curriculum (illustrative mathematics). Both expenses are funded by the School's ESSER grants.

Legal Services - exceeded the budget by \$22k. This is primarily due to an increase in legal fees related to the purchase of the building. The purchase is expected to take place July 2022.

Student Transportation - exceeded the budget by \$48k. Transportation to alternative placement schools is running significantly over budget and includes 3 additional students.

Communications Equipment - exceeded the budget by \$23k. The School purchased new security cameras that were not included in the original budget. These will be funded by prior year reserves.
