

Investment and Goals by SCHOOL

Provide additional detail about the plan in the chart by school for each Opportunity Funding investment with its associated cost and proposed impact. These charts should be copied and completed for each school receiving funds. *For each investment, include baseline data and numeric targets to measure impact. A state budget sheet will be completed by the district/charter after the plan has been approved.*

Speech and Occupational Therapy	\$120,390.48	\$120,390.48	<p>Speech and Language supports students who have speech and language needs. Our SLP provides support for students in a variety of areas from working on their pronunciation of words to their reading comprehension. These supports are provided in a multitude of ways. From direct services in independent or group settings to in classroom support for teachers who teach students who have a need in these areas.</p> <p>Occupational Therapy supports our students to bridge the gap between their current capabilities and their goals. Students work on their handwriting skills, typing skills, and fine motor skills to name a few. These skills are of vital importance to their success once they graduate from Freire.</p>	<input type="checkbox"/>
